WADHURST CASTLE

WADHURST CASTLE

Celebrations & Events

Wadhurst Castle is a beautiful country house with a warm and welcoming atmosphere for all celebrations and events. The gardens are superb and there are stunning views from the terrace and lawns across the Sussex countryside. For your event you will enjoy exclusive use of the castle reception rooms for your special dinner, party or milestone celebration. During the Castle Season, use of the Carriage Barn is also included in the exclusive hire of the Castle (May to November each year). Outside of the Castle Season, the Carriage Barn and Well Courtyard are available for separate exclusive hire for daytime celebrations and events (January to April).

Our friendly and professional event management is included in the exclusive hire pricing to help ensure that your day goes seamlessly.

The castle and its beautiful gardens are ideally suited to celebrating the milestones in life; from naming celebrations, wonderful lunch parties, wedding anniversary celebrations to the gathering of those marking a family member's passing. At Wadhurst Castle, we pride ourselves on the care and attention we take over every event, however large or small.

If you require a seated dining event, the Castle or Carriage Barn have capacity for approximately 90-100 guests.

To ensure that you and your guests enjoy the very best quality and service, there is a selection of recommended caterers to choose from. We work closely with these suppliers, and jointly with their expertise, we ensure your day runs perfectly.

Wadhurst Castle is a dry hire venue so that you benefit from being able to source your own drinks and we do not charge corkage. Of course, we do also have the Wadhurst Castle Wine Cellar which can provide some or all of your drinks on an off licence basis (sale or return) for your event at very competitive prices.

Please contact our friendly team to discuss your requirements at info@wadhurstcastle.co.uk

The provision of a commercial kitchen space and the upgrading of the car park and access (a project known as "Wadhurst Castle Infrastructure Improvements") and the conversion of the Victorian Barn into a modern function suite and the building of toilets in the castle (a project known as "Wadhurst Castle Estate Ballroom 2") was part funded by the European Agricultural Fund for Rural Development.
