Team building & Activity Days

We are excited to be teamed with partners with extensive team building portfolios, offering a vast array of activities, which can be based in the castle, the barn or in our glorious gardens and estate.

Team building events are a fantastic way to test core business attributes within your organisation, outside the natural workplace. Staff and guests are likely to feel at ease off-site and in a less formal situation, and therefore better poised to learn and develop.

Whether combining activities with a meeting or whether it's a full day of outdoor pursuits you are interested in, Wadhurst Castle can fulfill all your expectations.

A range of exciting outdoor and indoor team building activities can be organised in our estate.

Archery / Falconry / Wine Tasting / Cookery Sessions / Cocktail Masterclass / Dance Classes / Axe Throwing / Lawn Games / Wellness Program
