# WADHURST CASTLE CELEBRATIONS AND EVENTS

Wadhurst Castle is a beautiful country house with a warm and welcoming atmosphere for all celebrations and events. The gardens are superb and there are stunning views from the terrace and South lawn across the Sussex countryside. For your event you will have exclusive use of the Castle with its magnificent rooms and beautiful gardens.

The castle is ideally suited for sumptuous dinners to celebrate the milestones in life. From wonderful lunch parties for silver and gold wedding celebrations and everything in between. The beautiful gardens make the perfect place for guests to mingle over drinks while the children play happily on the lawn. At Wadhurst Castle, we pride ourselves on the care and attention we take over every event from Naming Ceremonies for babies to the sad duty of hosting a reception following funerals.

If you require a seated dinner event, the rooms have the capacity for approximately 100 guests. However, you can increase your guest list to 150 for the reception by using a marquee on the South Lawn.

To ensure that you and your guests enjoy the very best quality and service, there is a selection of caterers and marquee hire companies to choose from. We work closely with these suppliers, and jointly with their expertise we ensure your day runs perfectly.

Wadhurst Castle is not a licensed premises, however we do not charge corkage and are happy to make suggestions of Wines Merchants to assist you.
