# WADHURST CASTLE CELEBRATIONS AND EVENTS

Wadhurst Castle is a beautiful country house with a warm and welcoming atmosphere for all celebrations and events. The gardens are superb and there are stunning views from the terrace and South Lawn across the Sussex countryside. For your event you will have exclusive use of the castle with its magnificent rooms and beautiful gardens.

The castle and its beautiful gardens are ideally suited to celebrating the milestones in life; from naming celebrations, wonderful lunch parties, silver and gold wedding celebrations to the gathering of those marking a family member's passing. At Wadhurst Castle, we pride ourselves on the care and attention we take over every event.

If you require a seated dinner event, the rooms have the capacity for approximately 100 guests. However, we cater for intimate family occasions through to a guest list of 150 by using a marquee on the South Lawn.

To ensure that you and your guests enjoy the very best quality and service, there is a selection of recommended caterers to choose from. We work closely with these suppliers, and jointly with their expertise, we ensure your day runs perfectly.

Wadhurst Castle is a dry hire venue so that you benefit from being able to source your own drinks and we do not charge corkage.

# WADHURST CASTLE VENUE HIRE CHARGES
